

## Ministry in Haiti

Haiti Outreach Ministries is a Christian mission to the people of Haiti. It presently serves the communities of Blanchard (*Terre Noire*), Cite Soleil, Ibo Beach (*Source Matelas*) and Repatriote (new church in 2006). The ministry includes worship, education, medical clinics, and leadership training. Further evangelism in Bon Repos and other outlying areas is being prayerfully considered.

*"For I was hungry and you gave me food, I was thirsty and you gave me drink. I was a stranger and you welcomed me, I was naked and you clothed me, I was sick and you visited me, I was in prison and you came to me. Then the righteous will answer him, 'Lord, when did we see thee hungry and feed thee, or thirsty and give thee drink? And when did we see thee a stranger and welcome thee, or naked and clothe thee? And when did we see thee sick or in prison and visit thee?' And the King will answer them, 'Truly, I say to you, as you did it to one of the least of these my brethren,*

# Student Sponsorship

There is no public education system in Haiti. 80% of Haitian primary education is accomplished by schools run by benevolent organizations. Only with your help can Haitian children escape the plight of their parents – over 50% of the adult population is functionally illiterate.

Haiti Outreach Ministries (HOM) operates primary schools at Cite Soleil, Blanchard (Terre Noire), and Ibo Beach (Source Matelas). A school is planned for the new ministry at Repatriote. The schools offer education from pre-school through 6<sup>th</sup> grade. Courses include Bible, math, French, English, Creole grammar, history, and spelling. The administrators and teachers are Haitian nationals who have completed the

appropriate training and education and are committed to the goals of the program. Regular Christian training and love are given to each child. As of September 2008 there were 962 students in these schools. HOM expects to enroll 1000 students by 2010. When these students complete the national 6<sup>th</sup> grade exam they are enrolled in area secondary schools under HOM

sponsorship. There were 128 of these secondary school students as of December 2008. In June 2004 the first students completed the full program, graduating from 13th grade with baccalaureate degrees and others have followed. A scholarship program is administered by HOM for these students to attend college. 31 students are enrolled in this program as of December 2008.
